Years From Now

In this work that technique was used for characterizing obsidian devices coming from the San Miguel Ixtapan site, Estado de Mexico and it was found that these come from three important beds which are: Sierra de Pachuca, Hidalgo, Zinapécuaro and Zinaparo-Varal in the Michoacan state. The writing itself is clear, and the mythic narratives are nicely contextualized and integrated into the flow of the author's overarching ethnographic and interpretive story Through these rituals, stories and lives - the author reveals new ways of comprehending gender both at the cosmological and human level.
